# Spirit Week: Crazier Than Ever.

The annual Spirit Week was crazier than ever. Spirit Week consisted of 4 days of dressing crazy. The senior Pom girls received pies in their faces. John Philbrick was the winner of the massive wet T-shirt contest. Friday everyone had the pleasure of getting out of school early to watch Greenway's Homecoming Parade. Spirit Week was topped off when the football team defeated Cortez with a score of 31-21, ending their 7-3 season.

Special moments will always be remembered of the spectacular Homecoming game. The outstanding selections of royalty were announced and displayed during halftime. Each were selected by the students of their class. Every student had the chance to vote for King and Queen.Parading floats were a part of the excitement in which the Junior class took first place.

# Greenway's dances; a place to meet people

Dances have always been a time when friends can get together for an evening of fun and relaxation. There were 14 dances this year which were sponsored by various clubs on campus. The money made from the dances was used to help support the sponsoring club and its activities. Approximately 2,800 people attended dances this year.

# Lunch Is A Favorite Recreation

For most, lunch time was not only for eating, but also for socializing with friends. Mrs. Armstrong, the head of the cafeteria staff, has been with Greenway since its opening. This year there has been a slight increase in prices due to President Regan's budget cuts. Even so, the combos, which were sold at the snack bar, seemed to be the most popular among the students. Going off campus to places such as, McDonalds, Jack in the Box, Burger King, Taco Bell and Appetitoes, all seemed to be very popular this year. Lunch period has always been, and always will be, a relaxing break for both students and faculty.

The bets are down as Jim McGhee, Barry Edison, Andy Macy, and Frank Muscolino proudly watch the World Series.

# "Dracula" Was A Big Success

This year's Drama Department put on many plays. The play "Dracula" was one of the best plays produced. It was one of Greenway's biggest plays ever. The play was almost sold out every night. The part of Dracula was played by Chris Wancura. Chris performed as if he were a professional actor. The entire cast worked very hard on the play for many days. Every actor showed excellent talent. Mr. Sears is the drama teacher at this time and he produced the play. Mr. Sears knew the students were good, but he didn't realize they were that good. He was impressed by them all. We hope to have many more plays be such a success. "It was the best play I have ever directed", Mr. Sears stated.

# Football: One Big Family

This year's football team was the best Greenway has ever had. The offensive line was awesome. They opened many big holes for the powerful and fast backfield. The defensive line put a lot of pressure on the other team's quarterbacks to set up some important interceptions by our backfield. Our linebackers always seemed to be in the right place to make the big play.

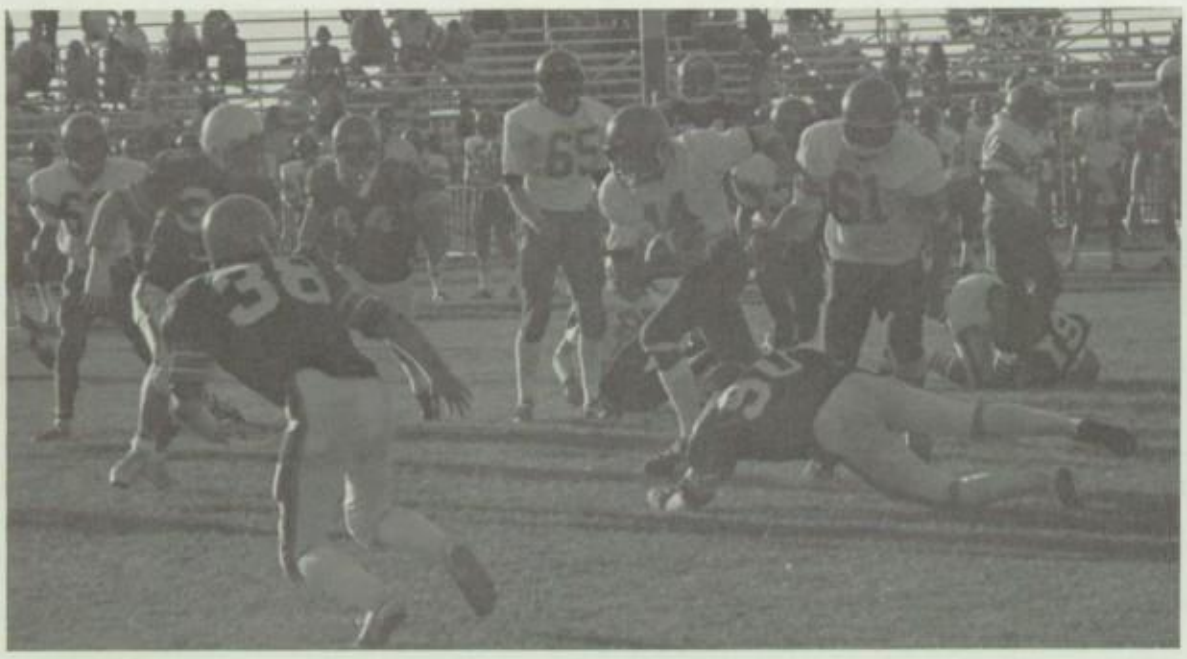
# J V Team Displays Promise

The J.V. football team has done an outstanding job for the coaches. Every time the young men of the team stepped out on the field for practice or a game, the coaches expected them to do their job and enjoy doing it. Coach McGinn was quoted as saying "It's a good group of athletes to work with, also they are dedicated to winning and improving every game."



Unbelievably as number 38 sets up for the tackle, number 44 comes in with speed, and makes the hit.

The Junior Varsity defensive line is always looking for the ball runner, so they all may tackle him.

# Frosh Perform Greatly

The Freshman Team did a great job and should be an asset in the on coming years. They were sparked by big plays at the right time. Coach Tolifson expected the frosh to win one game at a time. He emphasized that each member of the team, thought of what their position required them to do. Some outstanding players were Brian Colyer right guard and David Eaton center.

# Golf Team Looks On To Victory

This year the Demon Golfers improved their technique as the season progressed. The team consisted of six seniors and two juniors who hoped to improve their record at the divisional tournaments. The Demons were coached by Ted Blake who said, "Playing home matches at Palmbrook Country Club made for a much better year."

# Cross Country Streaks For Title.

The theme for the 1981 Varsity Cross Country team was "the year of the comeback, part II." According to Coach Scott Giddings, the goals this year were, to win the Skyline Division Championship and to place in state as high as possible." "We had one of the best 1-2 combinations ever to compete in the state of Arizona." He was of course talking of Senior Bob Johnson and Sophomore Jeff Canada. They along with co-captains Terry Acker and Aaron Pierson, led the Demons as they headed for an undefeated season. In the last four seasons the Demons compiled a record of 56 wins and 6 losses, a tradition to be upheld.

# J.V. Cross Country Improve Their Stride

With only six runners, all of them Juniors, the J.V. Cross Country team improved throughout the season, pulling surprising upsets against stronger, more experienced teams. Although the team did not have great depth, they got the job done by working hard. "It takes five to run," said Coach Giddings, which encouraged the team to try even harder. The goal this year was to win the District Championship. Top runners this year were Steve Ashley, R.J. McNulty and Kelly Kirkpatrick.

# Frosh C.C. Keep Up Tradition

This year's Freshmen Cross Country team kept up with an old tradition by capping-off an excellent season. Good depth along with strong runners helped to lead the Demons to an outstanding year over all. "Depth is what counts" said Coach Giddings. The goals for this season were for the Freshmen District Championship. Top runners for this year include Loren Ashley and Tom Erwin. The team was successful and they are something to look forward to in future Cross Country seasons.

# Varsity Basketball Has Positive Out Look

The Greenway Demons Varsity Basketball team started off with a five game winning streak before being upset by West in the Phoenix Union Christmas tournament. The Demons finished third. Second year mentor Craig Darrington had, "high hopes" for the team and the Demons did just that compiling a 9-3 pre-league record. The Demons were ranked as high as fourth in the basketball polls. Co-captains this year were Seniors Sean Kindell and Brad Lohaus. The big surprise this year was the starting of two sophomores: Robert Standifer and Kris Treet.

# JV Has Successful Season

"The 1981-82 Junior Varsity Basketball Squad consisted of 14 players. The boys worked hard and made considerable amount of improvement in their fundamental skills. We were weak in the areas of intensity and consistency, but the team set that as a goal for the season," stated Coach Mueller.

"It has been a pleasure working with these young men this season. I feel that if they continue to work hard and develop the good attitude, they will be successful. My goals for the players were for them to grow as basketball players and individuals. My goals also included having the players look back on the 1981-82 season as a fun and positive experience," stated Coach Mueller.

# Frosh Shows Promising Talent

"The 1981-82 frosh basketball team is blessed with many players whom, it is hoped, will blossom into varsity players in two years. A greater number of players than usual made the team due to many players showing good basic skills and future potential. The players, as a team, are highly motivated, very team oriented and are highly coachable. There are numerous players from this group that might develop into the Demon Basketball Program's future key players. A few names to watch for in years to come could be Randy Barr, Thomas Russell, Hosam Arikat, Tim Faulkner, Pat Husting, or Dan Birecki," stated Coach Halbach.

1st Row: Larry Carnicelli, Steve Van Jura, Tom Russell, Randy Barr, Derek Becker, Tim Faulkner, Mark Mason, Pat Husting, Mike Hayes, Jim Sutorka, Keith Cyrnek. 2nd Row: Mike Edwards, Toby Dunn, Coach Halbach, Dan Birecki, Dave Sonnenberg. 3rd Row: Hosam Arikat, Mark Parinello, Brent Benau, Jim Stoltz.

# Soccer Handles Teams

This year's soccer team did an outstanding job. Their main goal was to improve on last year's two win record. They surpassed that by far. The team went out and raised two thousand dollars for game uniforms and equipment. They were hoping to become a Varsity sport that was supported by the school's money. The outstanding players were Ernest Guzman, Bill Kersey, Danny Hunt, and John Rohkohl.

Chris Kunzst boots the ball far down field.

# Wrestlers Pin Their Opponents

This was another good year for the Demon Wrestling Program. The major strength throughout the team was balance in the weight classes. The Demons this year, as past years, won the majority of their matches. This years schedule was one of the Demon's roughest schedules. The final record for Greenway was 6-3-1. The team placed 4th in a Moon Valley Christmas Tournament. They also placed 10th in a Peoria Tournament.

First row. John Boule, Pat Ryan, Pelznso, Al Lopez, Pat Edenfield, Mike Davis, Tom Oddo 2nd row Coach Tallsion, Jim Carlson, Randy Fernandez, Jim Peters, Mike Ziegler, Mike Gyde, Richard Barton, 3rd row- Judy Yowell, Tuan Pham, Greg Myers, Phil Fierro, Tom Shores, Felix Dominguez.

# J.V. Team Looks To Future.

The JV had a very good season with a very good record. One reason was because of having the weight classes balanced throughout the entire year. The team this year, as its past years won the majority of their marches including placing in tournaments. This year the team had a very rough schedule to follow. The future for the Demons looks very strong.

# Frosh Have A Winning Season.

The Freshmen wrestling team had a hard fought season. They had tournaments and matches which were very close. This year they had a good season and one reason is because of the balance throughout all the classes. The freshmen team was the biggest out of all three levels.

First row, Ray Byrne, Robert Latona, Gordy Ranovic, Mike Buhanan, Andy Hammond, David Kungst, Mark Santee, Victor Montgomery, Second row, Hal Shumate, David Eaton, Joseph Schmidt, Tony Dohlman, Greg Decross, Jim Dolhman, Divid Littlepage, Todd Dittbkenner, Third row, Chris Munhall. # Greenway Varsity Has A Tough Act To Follow.

The 1982 baseball team was very young considering the team consisted of nine underclassmen and only four returning lettermen. The energetic team had plenty of potential to help them go far. The main goal set down by the program was to make it to the Skyline Division Tournament and the team's attitudes are great after coming off last years AAA State Championship.

Last year's team proved to be strong. They proudly won the Triple Crown. Winning the Skyline Easter Tournament, the Skyline Division Tournament and the State Championship showed Greenway's talent and made this team the only one in the Glendale District to capture all three of these titles at one time.

# J.V. Prides Itself On Hard Work

The J.V. baseball program has prided itself on dedication and hard work. The reason for the success, in the past few years, has been the acquisition of the fundamentals and the desire of the players to put forth the effort it takes to be a successful ball club. The enjoyment comes when you see the hard work and hours of practice pay off in the ball games.

1st Row Dan Powell, Rich Fahey, George Lorz, Bob Cerjak, Vince Pesuti, Dave Reudamann, Mike Malcomson. 2nd Row Jim Madky, Jeff Walker, Gary Fromm, J.R. Harris, John Rudd, Darren Welsh, Karl Zohner, Mark Krueger. Not pictured Bobby Dixion.

This year's freshman team was a promising group. There were several good, young players on the team. The schedule was tough, but with a strong desire to play solid defense, and executed good hitting, the team did win its share of games. The coaches expected the players to play their best at all times. The main goal was to get this group of players ready for Greenway's future.

# Varsity Track Stresses Teamwork

This was a rebuilding year for the returning division champions, but it sure didn't count the Demons out of the race. The club was lead by it's elected officers: Neil Cottam, president; Julie Shaide, vice-president; Marilynn Badgley, secretary; Tammy Larson, treasurer.

Mrs. Dubinbaum said the Concert Choir was composed of mostly seniors. Eric Neilson, Lori Barnes, Rick Dodds and Marilynn Badgley were some of the outstanding senior voices. "I am very proud of my Concert Choir," added Mrs. Dubinbaum, choir director.

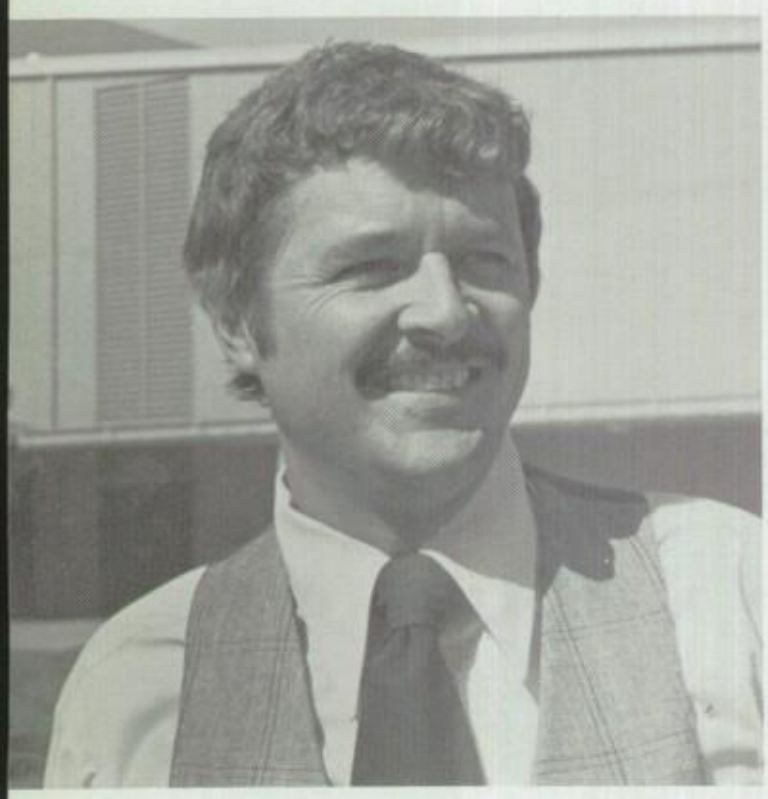
# Administrators Have Pride Too!

Our administrators took a lot of pride in their jobs and what they did. They worked hard to fulfill the needs and wants of the students as well as the teachers. They were involved in all of the activities that took place this year. They were very much appreciated by the entire student body for what they contributed to Greenway High School.

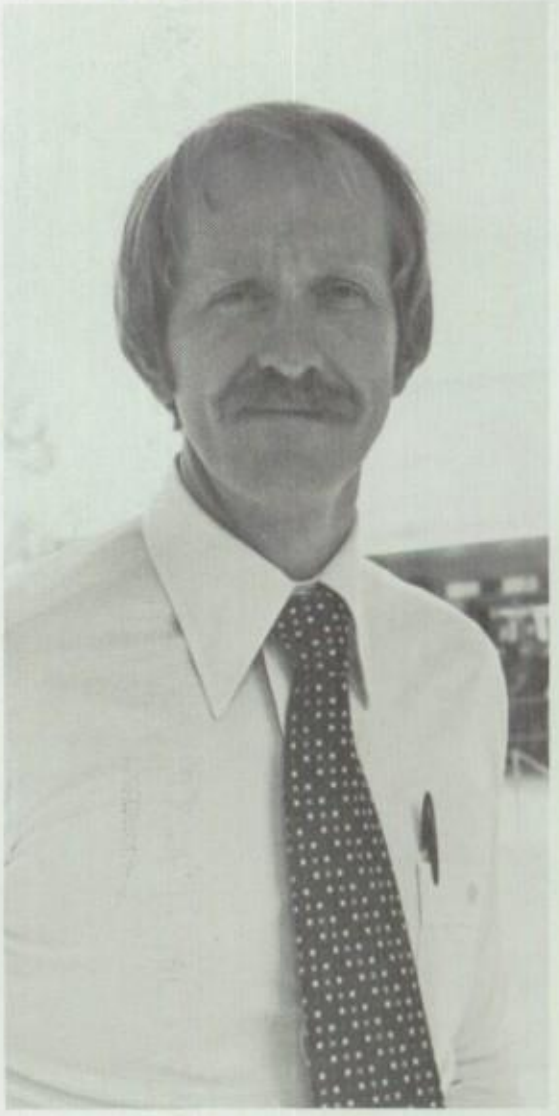
Robert Sterrett-Principal, David Smith-Assistant Principal, Steve Knight-Assistant Principal, Craig Darrington-Dean.



Mr. Smith is avaialable for student services.

Mr. Knight is involved with student activities.

Mr. Darrington helps out all the students.



Mr. Sterrett maintains our school dignity.

# Governing Board

Richard Srapley, GUHSD Board president

Elected by the community, the five board members are responsible for establishing the policies by which the entire Glendale district is run. During the past year, they made some important decisions affecting Greenway, its programs and students. The superintendent and the Greenway administration, hired by the board, were responsible for operating the school in keeping with those decisions.

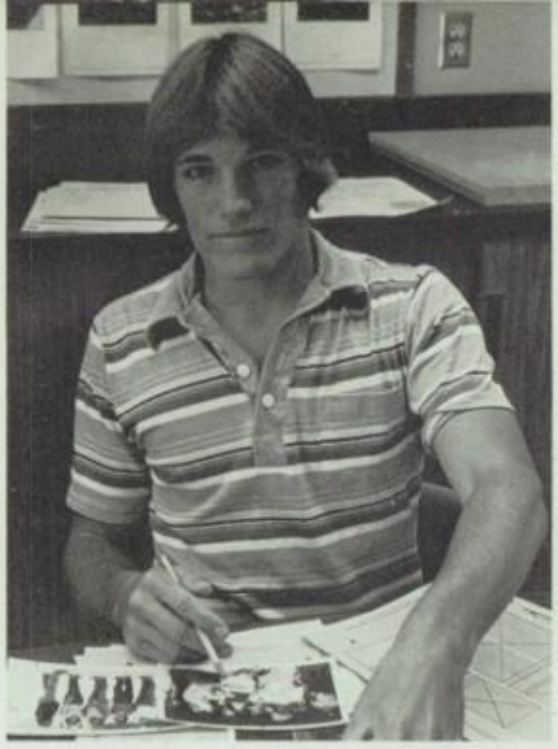
# 81-82 Yearbook Staff Puts It All Together!



Par Smith picks out pictures for his layout.

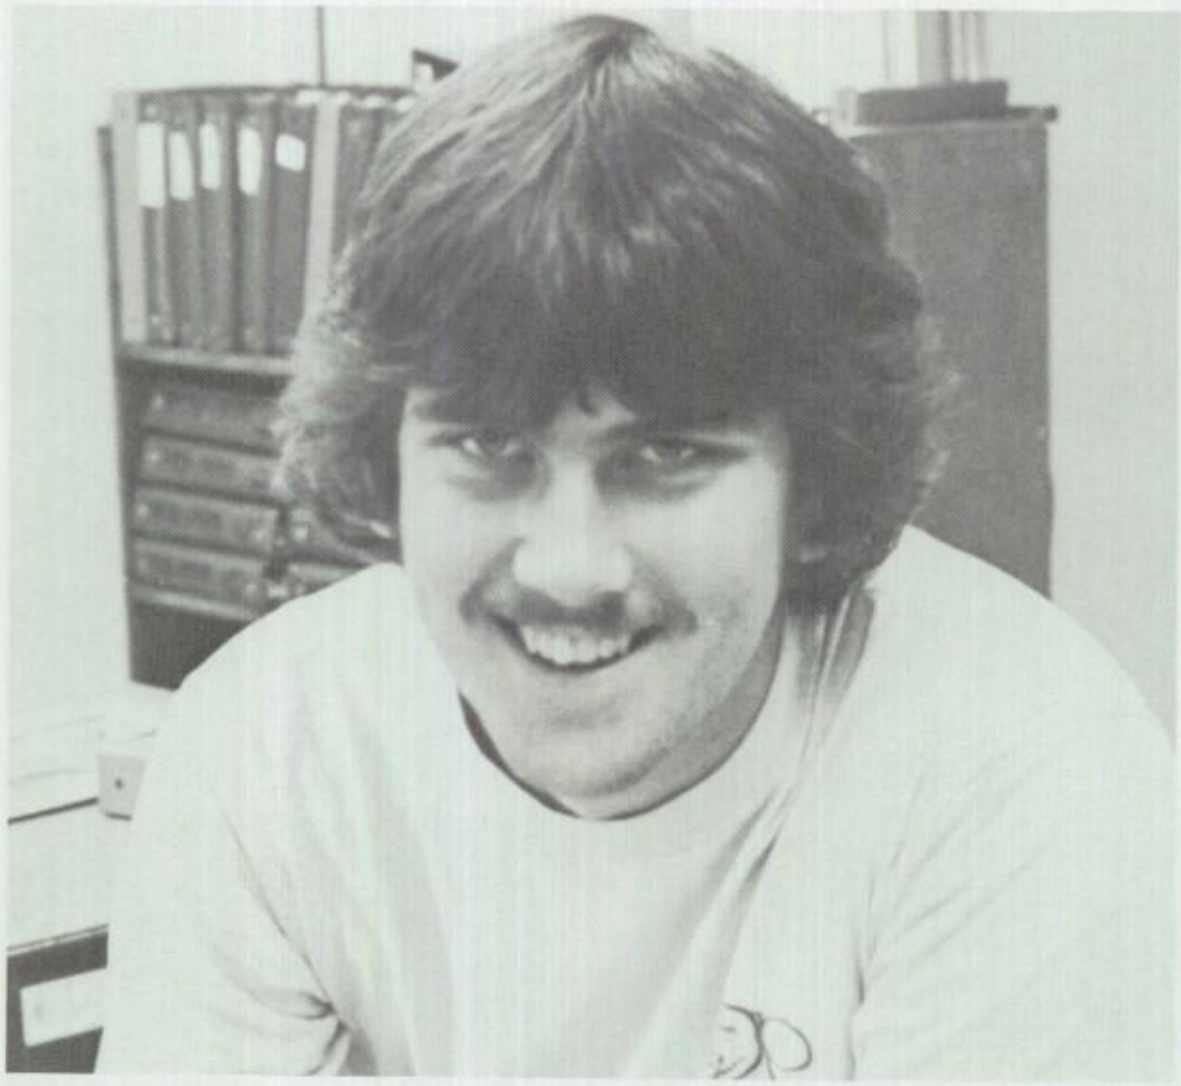
Paula seems to enjoy working on the yearbook.

The 1981-82 yearbook class consisted of 28 hard working, dedicated staff members. Each spent countless hours, during and after school, as well as a few weekends, in producing this year's yearbook. Each member of the staff was assigned certain pages and had the responsibility of meeting his own deadline. "The whole class has worked very hard and each of us feel that this year's annual will be the best ever," stated Editor Trena Grande. Mrs. Burnett, sponsor of the club, entered the yearbook in a yearbook contest which occurs every year.

Bobby concentrates on writing his caption.

Puzzled and confused, Julie Leikvold asks for assistance from Cheryl Mackey in drawing her layout.

Shelley eyes the camera with a cute look.



Gary Roores looks up to give us a smile as he arranges his football pictures to fit his pages.

Kris is determined to write copy for her page.

Kurt Jauron smurks at a humorous picture.

Editor Trena Grande and Mrs. Burnett discuss the cover of the annual with the publisher, Mr. Bursell.

# Photographers "Call The Shots"

Miki checks her negatives to see if they're ok.

R.J. looks to see if he can be of assistance.

Mrs. Burnett, this year's sponsor said, "Since this was essentially a picture book, the staff had to rely heavily on it's photographers." They took over 600 pictures for each deadline, including 250 color prints. All of the photographers took Photography 1-2, so they were all qualified to do their job. The staff was: Jeff Sheaffer, R.J. McNulty, Terry Acker, Miki Dietrich, and Sheri Gower, photo editor.

Jeff seems to dislike having his picture taken.

Sheri Gower, Terry Vcker, R.J. McNulty, Miki Dietrich, Jeff Sheaffer, Chris Romero.

# Students Take Part In Programs

Girls State and Boys State is a program of education for citizenship. This program is sponsored by the American Legion Auxilliary, open to junior girls and boys in senior high schools. Its purpose is to educate our young women and men in the duties, privileges, rights and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government, and to help them grasp the meaning of some of the responsibilities which they must assume when they become adults. Girls and Boys State is a positive and tangible program in Americanism.

Anytowners meet in discussion groups and workshops where they participate, offering their ideas and listening to the feelings of others including leaders of Arizona's cultural, professional and religious communities.

Anytown: Jean Dahlgren, Kathy Kurtz. Not Shown: Carol Brown, Susan Miner, Mike Mc Carthy, Andy McKintosh, Bob Kersey, Ken Mercer.

Boys State: Rod Middlecamp, Mike Babcock, Miles McNerney. Not shown: James Mock, Frank Paron, Glen Pennerson.

Girls State: Marnie Flinley, Sara Knox, Meredith Clark. Not shown; Joanne Charachak.
